Returned with compliments,

Four posts of Ookad Vanegars were sanctioned on a permanent basis in the Government Order dated 2nd January 1945. Under the rules, these vacancies should have been registered, classified and advertised and duly filled up But no such attempt seems to have been made Locally available unqualified candidates have been appointed against them ~~and have~~ and have been continued for a number of years. This is not regular. But in view of the small pay of Rs.12/- that these posts carry, it is doubtful if M S qualified candidates
